Outside the Spotlight jazz and improvised music series Event #183:

Tatsuya Nakatani is a master percussionist known for his dynamic and unconventional use of drums, cymbals, and GONGS. Don't miss Tatsuya's annual trip through Lexington, now in its 7th consecutive year.

Opening the evening with be Lexington's own Cody Putman on reeds performing a short introductory set. Come out for an entirely unpredictable night of sonic delight. \$5 suggested donation for the touring musician. Bring extra \$\$\$ for merch - Tatsuya always has lots of exquisite new releases.

7pm start - TIME IS SHARP. DON'T BE LATE!
